

Opens Performance Team Information

Drama Works Open Performance Team is a program for adults aged 18 years and older that love theatre, like the idea of treading the boards and are looking for adventure. Opens Performance Team will run similar programming to our award-winning Youth Performance Team (*which caters for students aged 13 to 17 years*).

There's no audition process! Just a desire to learn and develop skills for the stage, and a willingness to take part in a wonderful theatrical experience. You are guaranteed to;

- grow in confidence,
- laugh outrageously,
- do things you didn't think you could,
- develop your abilities,
- relieve stress, and
- make new friends.

These are experiences you will never forget!

This team meets weekly to learn skills and develop characters devising from group work. This team will then tour the South-East Queensland One Act Play Festival which runs from June to September each year.

Open Performance Team members will have the chance to be nominated for a variety of dramatic awards as they tour and compete against other local theatre companies between July and August (*exact competition dates are released in June*).
